THE STATE OF NEW HAMPSHIRE

---

*To the Inhabitants of the Town of Loudon in the County of Merrimack in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at Town Hall in said Loudon on Tuesday, the thirteenth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to allow 2% discount on all property taxes paid within thirty days after presentation of tax bill.
4. To see if the Town will vote to authorize the Selectmen and the Town Treasurer to borrow a sum or sums of money not to exceed in the aggregate more than 75% of the anticipated amount to be collected in taxes for the current municipal year, and to issue in the name and on the credit of the Town of Loudon negotiable notes therefor, said notes to be paid in 1956 from taxes collected during the current municipal year.
5. To see if the Town will vote to raise and appropriate the sum of one hundred and twenty five dollars (\$125.00) for hot top material with which to pave the area between the Fire Station doors and the highway.
6. To see if the Town will vote to raise four hundred dollars (\$400.00) for continuing Blister Rust Control in Loudon during 1956.

7. To see if the Town will vote to close the road, subject to gates and bars, from the residence of Robert Lawson to the Taylor Haines road (now Closed).

8. To see if the Town will vote to appropriate seven hundred ninety two dollars (\$792.00) for the Concord Hospital deficit. This request is made by the Board of Trustees based on Loudon having had 2% of all patients treated in 1955.

9. To see if the Town will vote to close the road, subject to gates and bars, from the foot of Mudgett's Hill to the relocated Route No. 106. (This section of highway has been turned back to the Town by the N. H. State Highway Dept.)

10. To see if the Town will vote to raise and appropriate a sum not exceeding \$100.00 (less than 1/100th of one percent of the Town's assessed valuation) to the Merrimack Valley Region Association for the purpose of publicizing and promoting the natural resources of the Town in cooperation with the other 37 Communities in this Region, or act in relation thereto.

11. To see if the Town will vote to close the road, subject to gates and bars, from the Loudon Center Grange Hall entrance to the residence of Chagnons.

12. To see if the Town will vote to raise and appropriate the sum of one hundred fifty (\$150.00) dollars as the Town's share in the purchase of the \$600.00 resuscitator now in service in the Fire Department.

13. To see if the Town will vote to close the road, subject to gates and bars, from the Town Pound to the residence of Kajander. (Estimated cost of keeping this road open \$800.00)

14. To see if the Town will vote to have the Moderator appoint five members to serve as a committee to recom-

mend minimum building requirements for all buildings under construction or to be built in town.

15. To see if the Town will vote to have the Selectmen nominate some person or persons for appointment by the State Forester as Town Tree Warden.

16. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this fifteenth day of February, in the year of our Lord nineteen hundred and fifty-six.

HAROLD F. PRESBY,  
HAROLD W. HILL,  
EVERETT K. JENKINS,  
*Selectmen of Loudon*

*Selectmen of Loudon*

## SELECTMEN'S REPORT TO THE CITIZENS OF LOUDON

---

The Town of Loudon, N. H. has a recorded census of 1,012 people. Net valuation on which tax rate was computed \$1,476,869.00. Tax rate, Town \$1.78, School \$3.42 making a total rate of \$5.20 per hundred.

The Board of Selectmen, being your selected, by election, administrative board has carried out your voted instructions, has attempted to keep costs as low as possible during 1955. A year when cost of materials have advanced two, and three times over previous years.

The Board recognizes that the town of today has new concepts and new problems. Since your incomes are derived from the sale of farm products and employment, good roads are essential. Milk, eggs and other daily or every other day perishable items must be moved on our highways. Scores of our tax payers are employed daily in nearby towns and need to be, on time, on the job.

The school children need safe and dependable transportation over our roads.

Those of you who have observed the abandoned home sites together with those whose family ties date back 100 years or more must realize that when the town was surveyed for travel by foot, oxen and horses distances were of considerable importance and as the result Loudon had an over supply of highway.

Today most travel is by automobile and most hauling by truck and tractor.

The remains of a house or houses, once standing, are a mute memory of the past.

In terms of miles and time, a truck hauling anything from passengers to freight is better kept on an improved road even though the distance may be slightly greater than by some rough short cut.

During the past several years the voters have voted to close some roads subject to gates and bars. This action freed the town of responsibility for accidents on the closed sections. Property owners are free to use the closed section as they wish.

There are some roads which for all practical purposes are closed but have not been acted on in Town Meeting therefore the Town is liable for them and will be until action has been taken.

Your Board of Selectmen has only two resources from which to draw in meeting this problem. (1) To have you vote to abandon such roads which serve mostly as historic past. (2) To have you vote to raise, by taxation, double the money which would be necessary to carry out a well planned travel route on the more essential highways.

During the year School Street and School Street Extension was surfaced and tarred as far as Lester Batchelder's and the graded fill applied as far as the Guy Wells residence. The blasting, culverts and wood cutting have made this an expensive operation.

The land owners along the entire length of the road have been most cooperative in giving land and in granting permission for drains. It is hoped that this project may be completed in 1956.

Because state funds are not available until late in the year, the Town hired money in order to carry on the road building during favorable work months and was later reimbursed by the state. Experience showed that the town was well repaid by this early action.

Some improvements on our highways are called to your attention. (1) Marston Hill on the Fletcher Road was widened and set to a reasonable grade. (2) The curve near the cement bridge on the Road to Loudon Ridge has been changed and a new railing started. (3) A section of brush and trees on Clough Hill has been cleared and during the winter proved of great benefit in letting in the sun to break up the ice. The experience on that cut off

makes the road people anxious to clear the whole shaded strip.

The shovel which the town used on a rental basis was turned over to the Town as the rent payments had, in 1955, covered the cost of the machine.

Mr. and Mrs. Arthur T. Anderson gave and deeded to the Town the so called "Church Field." The field has been cleared of brush and will be of great value in offering storage facilities which will make it possible to clean up the more or less unsightly stuff previously thrown around the church and town hall.

This past winter has been ideal proof of the usefulness of the salt bin and another to be built. On Town Meeting Day we would urge you to examine the addition to the Town Shed. More work on the building is needed but the Tractor has been under cover and some sand stored.

During 1955 two thirds of the insurance policies on town properties expired. We have increased the amount of the policies to more reasonably cover the replacement costs of the Town Buildings. It has been an expensive year for insurance.

The overloaded electric circuits in the Town Hall had become a fire hazard which the insurance company would not approve and the lack of outside lights was preventing us getting approval of Town Hall Liability insurance.

In order to safeguard the Town Buildings, the electric system was overhauled to meet requirements and a new circuit was installed to the Town Sheds. This circuit is of sufficient amperage to carry an electric welder.

We are making every available attempt to have more and better records of costs. When completed we will know how much it costs to operate the various pieces of equipment and what amount of work they perform.

During 1956 a start will be made on laying out on a tax map, the land parcels and their owners which make up the entire town of Loudon. We believe the increased knowledge will more than repay for the effort.

The New Hampshire Revised Statutes Annotated 1955 directs the Selectmen to require that bicycles in the Town shall be licensed and equipped to meet the ordinance. Your cooperation may be extended by reading the Town's bicycle booklet as soon as published and securing details from the Municipal Court.

During 1955 the Municipal Court was established. Your Board was happy to have the Governor and Council act on their recommendation and appoint Roger Perkins Court Justice. Judge Perkins by training, experience and natural traits has been well accepted and generous in his direction of court affairs. His rulings and decision have been of guidance whenever a youth is involved.

The Board awarded the gold headed cane to John Lewis Jones, oldest living person in Loudon.

The Church and Town Hall building are badly in need of paint. The Church Association has secured their half of the painting cost and we propose during 1956 to relieve their justifiable anxiety over the town's failure to previously provide, in the town budget, an item sufficient to pay the town share.

The Board wishes to call your special attention to the form, "The State of New Hampshire Inventory of Taxable Property." This form must be filed between April 1st and April 15th, 1956. It will assist you and the Board if you would fill out and sign this form by April 1st. We would especially direct your attention to Section 13.

If you are a veteran entitled to exemption, you should fill out the form covering (1) Inventory of Taxable Property and (2) Application for War Service Exemption. If you desire a receipt for having filed a service exemption, (1) Send a stamped addressed envelope, (2) or hand your application to any one of the Selectmen and ask for a signed receipt.

Veterans asking for Exemption are required to fill out and file both forms.

# BUDGET OF THE

## Estimates of Revenue and Expenditures of the Compared

### Estimated and Actual Revenue, Appropriations and Expenditures

Sources of Revenue	Estimated Revenue Previous Year 1955	Actual Revenue Previous Year 1955	Estimated Revenue Ensuing Year 1956

## REPORT OF THE FIRE DEPARTMENT

During the year this department received seventy calls. They were for seven buildings, 9 Chimneys, 6 Brush, 35 Miscellaneous, 8 Out of Town for brush, 3 out of town for buildings, 1 lost person and 1 automobile.

The miscellaneous calls ranged all the way from reported smokes with no fire being found through pumping polluted wells, water for the fair, and cows in wells.

We now have a Resuscitator in service and though we sincerely hope that there NEVER be a call made for its use it is ready for instant action should the need arise. After several training meetings, with competent instructors, there are several capable operators of this equipment.

Many small, but important, improvements have been made at the Station and to the equipment by the hard-working members. These include such things as cupboards for supplies, guards for fire alarm equipment, shelves for a supply of fire books and catalogs, lights for pump gauges on the pumpers, racks for carrying electric plants on the trucks and many others. Mr. Demain has donated two large lighting fixtures that make the meeting area much better illuminated.

The Auxiliary has been active both locally and in Mutual Aid. Their all important function of communications is directly responsible for quicker extinguishment of many fires.

We lost one of our most valuable members, Mr. Wilbur Maxfield. He was President of the Firemen's Association, Captain of Engine 2 and Deputy Forest Fire Warden. His place will be almost impossible to fill.

Difficulty has been experienced with the drainage from the road washing under the doors and flooding the apparatus floor. It is hoped that this can be corrected this year.

Please remember that Fire Prevention is Everybody's business.

J. W. ROBINSON,  
*Chief*

## FOREST FIRE REPORT

Published at the request of the N. H. Forest and Recreation Commission.

### BE A GOOD CITIZEN — COOPERATE

Smoking and debris burning caused more than 50 percent of the forest fires occurring in the state of New Hampshire in 1955 — 235 fires out of a total of 463 originated from these two sources. Lighted smoking material and matches thrown from moving vehicles along the highway or dropped by fishermen, hunters, hikers, berry and flower pickers accounted for 26 percent; debris burning in the wrong place or at the wrong time by those who failed to heed all pleas for safety or refused to recognize the logical, sensible rules and regulations set up under legislative authority governing the use of fire in or near woodlands accounted for more than 24 percent. This is inexcusable.

Everything possible is being done officially to remedy the situation. Since 1909 there has been a statute on our law books which requires everyone to secure written permission from the local forest fire warden before starting a fire in or near woodlands or where fire can be communicated to woodlands, unless the ground is covered with snow. A never ending program of educational work is being carried on by your local warden and state officials to inform the general public both of the value and necessity of securing the required permit for such burning. Much progress has been made, but there are still many who fail or refuse to cooperate. The value of our permit system was definitely proven in this district during the 1955 calendar year. Local wardens issued 3864 permits for debris burning fires. That's a lot of permits. The records show only 2 permit fires got out of control. This proves several things — while wardens were liberal in the issuance of fire permits, accommodating every applicant so far as possible, they were cautious, following closely directives outlining overall policy governing the issuance of burning permits and thoroughly instructing permit users. The latter, too, fully appreciating their re-

sponsibility in using their permits, governed themselves accordingly. Result? Much burning done legally and safe.

But what of the smokers? Despite all the efforts of those officially charged with the responsibility of preventing fires, too many were careless or thoughtless in disposing of smoking material and matches. Why? It is difficult to say. Autos are now equipped with ash trays. Why not use them. The crushing out of a cigar, cigarette and the complete extinguishment of matches before being discarded is an easy chore.

If the costly habits of the careless and indifferent smoker and debris burner could be overcome, more than half of our annual forest fires would be eliminated. Will YOU do YOUR share to bring this about?

#### REMEMBER

1. Get a written permit from your local warden before starting your debris burning or camp fire. The law requires it.
2. Make certain they are dead out before leaving them.
3. Become a safe smoker by extinguishing smoking material and matches before discarding them.

#### BE A GOOD CITIZEN — COOPERATE

LOUDON IN 1955

Number of local fires — 2

Number of acres burned — 10 1/10

Number of permits issued — 71

THOS. J. KING,  
*District Fire Chief*

J. WESTLY ROBINSON,  
*Forest Fire Warden*

## CIVIL DEFENSE

Though apparently inactive this department has been as busy as appeared necessary. We have taken active part in all tests and drills put on from both the National and State levels. Arrangements have been made to alert as much of the Town as possible in the shortest possible time. Along this line work is in progress whereby the sirens at Mr. Jenkins' "Bumfagon Farm" may be operated directly from the Fire Station. The cost of this project is being paid on a 50/50 basis by the Federal Government.

In connection with the first aid and medical divisions we need stretchers, blankets, and a small amount of dressings and so forth. Because of this need I urge that the sum of one hundred dollars be raised for Civil Defense.

The Federal Department has just recently revised the warning signals for air raids. A steady blast for the Alert, a wailing or a series of short blasts for the Take Cover signal. Nationwide they have not listed an All Clear signal but I am informed that New Hampshire will have an All Clear which will be 30 second blasts with one minute pauses between. Cards giving Air Raid Instructions will be available at Town Meeting.

J. W. ROBINSON,  
*Local Director Civil Defense*

Balance Due Town .....		*\$5.75
Area worked (acres) .....		823
Currant and gooseberry bushes destroyed .....		41,279

\*A check covering balance due the town is enclosed.

### MUNICIPAL COURT

I wish to take this opportunity to thank the board of Selectmen and voters for their faith in my ability to serve as their Magistrate in Loudon's first Municipal Court.

I therefore submit the following report.

The Court has disposed of seventy-two cases, the majority of which were motor vehicle violations with a gross income of \$1,120.00.

Paid to:	
Motor Vehicle Dept. ....	\$697.50
Town Treasurer .....	378.32
Secretary of State .....	5.00
Hazen Printing Co., Warrants, etc. ....	14.00
Court Record Book .....	11.60
Brown & Saltmarsh, Court Seal .....	9.50
Bank Service Charge .....	4.08
	<hr/>
	\$1,120.00

Respectfully,

ROGER M. PERKINS,  
*Justice*

## LOUDON PLANNING BOARD

Because of pressing business along other lines, for some of the Board Members, they have not met regularly as in the past. They do have, however, a constant interest in the future advancement of the town.

Several of their past recommendations have been worked out by the Selectmen and the matter of a printed history is nearing completion. Something worthwhile and still inexpensive appears to be the correct solution.

Use was made of the historical material so painstakingly gathered by Mrs. Moll in a unique and interesting manner. As part of the program put on during the daylong activities of the Loudon Improvement Society an appropriately costumed Town Crier read a scroll containing many interesting bits from these documents.

The matter of a simple, basic building code for the Town has been discussed and explored by the Board at considerable length. It is understood that something along this line will be in the warrant for action at the Town Meeting.

J. W. ROBINSON,  
*Chairman*

MRS. ALICE PERKINS

THE STATE OF NEW HAMPSHIRE

---

*To the Inhabitants of the School district in the town of Loudon qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the tenth day of March 1956, at 7:30 o'clock in the evening, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the school district will vote to partition off and equip a cafeteria in the unfinished area of the Loudon

grade school basement and make the necessary appropriation for the same. (By petition)

10. To see if the school district will vote to hire a school lunch manager to be responsible for the carrying out of the school lunch program at a given salary of \$1,000 per year. (By petition)

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Loudon this 3rd day of February, 1956.

EVERETT O. DOW,  
DOROTHY G. DOWNES,  
MARGARET C. ANDERSON,

## Summary of Superintendent's Salary — 1954-1955

SUPERVISORY UNION No. 46

The Superintendent's total salary of \$6,225.00 is paid in part by assessments against the seven Districts in the Union, which are pro-rated as follows:

Andover .....	\$722.65	
Boscawen .....	700.30	
Chichester .....	327.80	
Loudon .....	465.63	
Penacook .....	1,195.72	
Salisbury .....	175.08	
Wilmot .....	137.82	
		<hr/>
		\$3,725.00

These payments are made by the Districts directly through the Supervisory Union Office.

The remaining \$2,500.00 is paid by the State from the fund established by the per capita tax of \$2.00 for each resident pupil.
